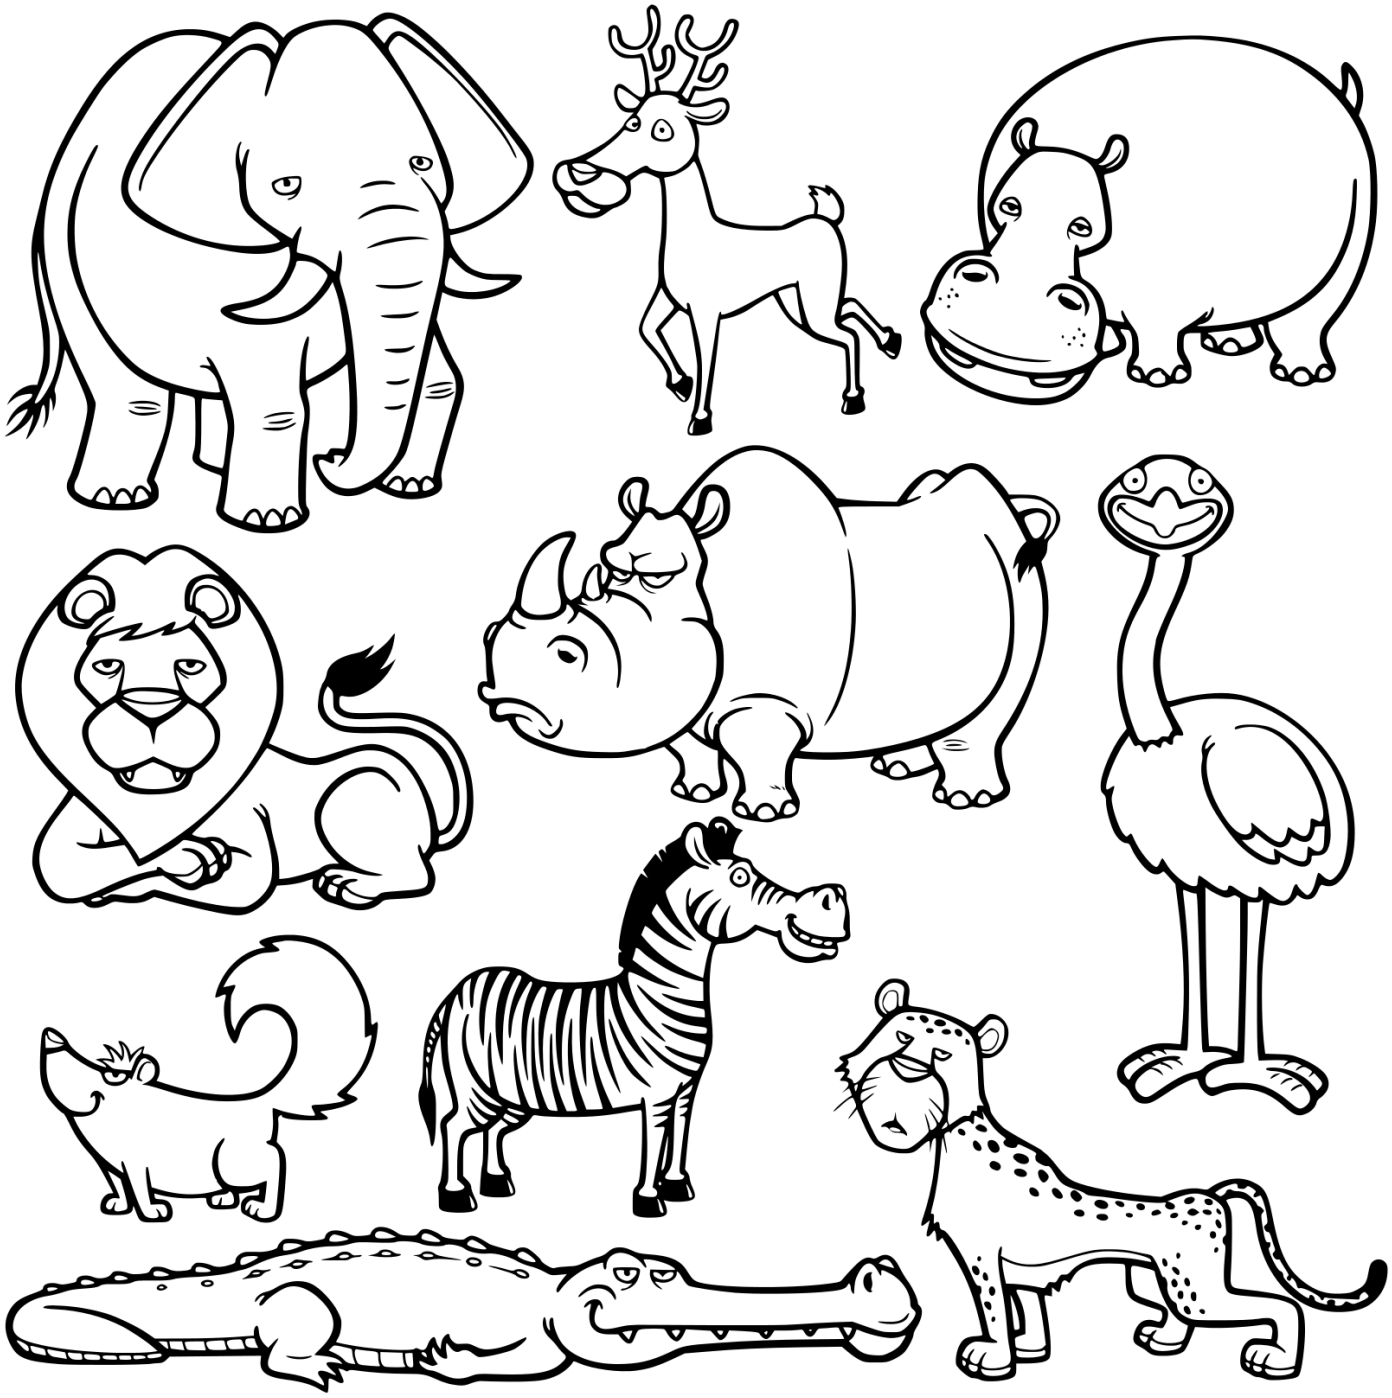
BỘ 500 TRANH TÔ MÀU

CHỦ ĐỀ: CON VẬT



Chủ đề CON VẬT

CÁM ƠN BẠN !

Lời đầu tiên, Giang rất cám ơn khi bạn đã tin tưởng Gia Đình Su và tải file pdf chứa những tranh tô màu in sẵn này cho con cái của mình.

Gia đình mình cũng có một đứa con nhỏ nên từ khi vợ mới mang thai là đã tìm đủ mọi cách để có thể cho con một cơ thể khỏe mạnh và một trí tuệ đầy đủ nhất có thể trong khả năng của mình.

Trong rất nhiều phương pháp từ Đông sang Tây, Cổ điển đến Hiện đại, từ Miễn phí đến Đắt đỏ thì Giang thấy có 2 cách đơn giản để giúp một đứa trẻ phát triển.

- Một là tình yêu thương vô điều kiện. Chỉ khi con cái cảm nhận được điều này từ chúng ta thì nó mới yên tâm để phát triển mọi mặt trong cuộc sống.
- Hai là phát triển trí tuệ đồng đều cả não trái và phải. Não trái thì thiên về tư duy, logic kết hợp Não phải thì thiên về tưởng tượng, sáng tạo. Mình có thể thường xuyên chơi đùa, kể chuyện, nói chuyện khơi gợi các ý tưởng mới, có thể cho con tham gia các hoạt động nghệ thuật như ca hát, nhảy múa, đàn nhạc hoặc đơn giản là vẽ tranh, tô màu.

Cũng mất công sưu tầm tranh tô màu rồi thì mình quyết định chia sẻ cùng mọi người luôn.

Để giúp cho việc sưu tập và lưu trữ của bạn đơn giản hơn thì thay vì phải lưu hàng ngàn tấm hình riêng lẻ, mình chọn cách lưu lại vào các file pdf theo chủ đề như thế này.

Ví dụ 1 chủ đề có 100 tấm hình, thay vì lưu 100 hình riêng lẻ thì bạn chỉ việc lưu 1 file pdf có 100 hình là xong, rất đơn giản phải không nào. ^^

Hơn 10.000+ tranh tô màu nhiều chủ đề bạn có thể tải MIỄN PHÍ trên website của Gia Đình Su nhé: https://giadinhsu.com/
